*“The WHL continues to be a leading supplier of talent for the National Hockey League, and the number one provider of hockey scholarships in Western Canada”*

For almost 50 years, the WHL has been a leading supplier of player talent to the National Hockey League. For decades, the WHL has also been the number one provider of hockey scholarships in Western Canada and a leading source of talent for Canada’s national hockey teams.

Then WHL takes great pride in not only being a world leader in player development but all of our 22 WHL Clubs also set the standard for providing the best possible player experience. # WHL MEMBER CLUBS

## ABOUT THE WHL

The Western Hockey League started with just seven teams based in the provinces of Saskatchewan and Alberta in 1966. Today, the WHL has representation in all four Western Canadian provinces and the U.S. states of Oregon and Washington. The WHL now consists of 22 member Clubs with 17 based in Canadian markets and 5 in the U.S. Pacific Northwest.

The WHL is a member of the Canadian Hockey League (CHL) whose membership is comprised of three major junior hockey leagues: Ontario Hockey League (OHL), Quebec Major Junior Hockey League (QMJHL) and the Western Hockey League (WHL). At the conclusion of each League's playoffs, the CHL hosts the MasterCard Memorial Cup, a national championship tournament involving each of the three Leagues' Champion and the tournament host.

The WHL attracts over 4 million spectators each season to regular season and playoff games and is regarded as one of the finest development Leagues in the world today. Each season, the WHL is one of the top Leagues from which players are selected from in the NHL Draft. Currently, 20% of all NHL players are graduates of the WHL. The WHL is also a leading provider of post-secondary scholarships with over 400 scholarships awarded each year to current and graduate WHL players, more than any other League in North America.

## WHL CHAMPIONS & RECIPIENTS OF 'THE ED CHYNOWETH CUP'

In 1973 Ed Chynoweth was appointed the first full time president of the WHL, and soon after became the first ever president of the Canadian Hockey League, positions he held for over 20 years.

In 2007, the WHL renamed their championship trophy the Ed Chynoweth Cup in recognition of the extraordinary leadership Ed provided to major junior hockey and the game in Canada. Ed, who passed away in April 2008, was inducted into the Hockey Hall of Fame posthumously in November 2008.

## MEDIA & SCHEDULES

MATHEW BARZAL - SEATTLE THUNDERBIRDS

### REGULAR SEASON & PLAYOFFS

All WHL member clubs will be required to comply with the following Media Services Policy, which will apply to all games staged during the 2014-15 WHL Regular Season and Playoffs.

#### Media Access to Players & Other Team Personnel

Game Day/Night – Players, Coaches and other Team Personnel will be available upon request for media interviews up to 90 minutes before game time.

The dressing rooms of each team are considered restricted access – no access is granted without the permission of the team concerned. Access to the dressing room, by the media or other personnel, is strictly at the discretion of each team.

All players requested for post-game interviews must be available (immediately outside the dressing room, or in an area designated by the home team) within 15 minutes following leaving the ice at the conclusion of the game. Should a player be injured or receiving medical treatment following the game, he will not be required to participate in the interview.

A member of the coaching staff of each team must be available to the media for interviews within 15 minutes following the game.

The post-game interview sessions, for team members, must not exceed thirty (30) minutes in duration.

#### Press Box Seating

The home team must provide a minimum of four (4) seating positions, in press box or other acceptable location, for all visiting accredited media (includes radio broadcast positions).

#### Practice Sessions

The media shall have access to attend all team practice sessions and game day skates. In the event of a team meeting after a practice session, media will be allowed access to the Team Personnel immediately following the conclusion of the meeting.

#### Visiting Media

Each WHL member club must provide both the home and visiting print media with a dedicated telephone line to file stories from. These two lines, which are in addition to Broadcast and the Real-Time Results requirements, will be shared on a first come first served basis for both home and visiting media in attendance.

#### WHL Scores, Statistics and Standings

## 2015 PLAYOFF FORMAT

The WHL Eastern and Western Conferences will use a Divisional / Conference hybrid playoff format, with the inclusion of Wild Card qualifiers, for the 2015 WHL Playoffs. All playoff series' are best-of-seven affairs.

The new format will see the top three Clubs in each Division make up the first six playoff qualifiers within each of the two WHL Conferences. The remaining two spots per Conference will be filled via Wild Cards, with the next two highest-placed Clubs in each Conference earning playoff berths based on their regular-season record, regardless of Division.

In the First Round, the Division winner with the best record in each Conference will be matched against the wild card team with the lesser record; the wild card team with the better record will play the other Division winner. The second and third-place teams within each Division will also meet in the First Round.

First-round winners within each bracket play one another in the Second Round with the four winning Clubs advancing to the Conference Championships. Home-ice advantage through the first two rounds goes to the Club that placed higher in the regular-season standings.

The two Clubs winning second round series in each Conference will advance to the third round (WHL Conference Championships), where they will be ranked in order of regular season points.

The Eastern and Western Conference Champions will advance to the best of seven WHL Championship Series, with the Club having the most regular season points receiving home ice advantage. If an East Division Club is involved in the WHL Championship Series, the best-of-seven series will utilize a 2 - 3 - 2 format.

# SCHOLARSHIPS

TYLER SOY, VICTORIA ROYALS

The WHL provides the top young hockey talent in the west with the opportunity to develop their skills on the ice at the highest possible level, without compromising their academic goals.

Each WHL Club's Education Advisor, along with the WHL Director of Education Services, tracks the academic progress of all players throughout the season. While playing in the WHL, players receive financial assistance for education expenses such as high school tutoring or fees for post-secondary courses, to ensure players reach their academic potential.

While a player's primary on-ice goal is to win the WHL Championship and compete for the storied Memorial Cup, it is equally important for that player to set his sights on academic success as well. WHL Club's are governed by League-wide Education Standards that ensure players complete their high school in timely fashion and achieve the highest level of academic success possible.

The WHL is committed to recognizing academic excellence. Awards are presented annually to the WHL's Scholastic Player and Scholastic Team of the Year.

The WHL Scholarship is fully guaranteed for every season a player participates in the WHL, he is entitled to a full year of tuition, textbooks and compulsory fees to a post-secondary institution of his choice. Once a player graduates from the

WHL and provided he does not sign a professional contract with an NHL, AHL or top level European Club-he is eligible to obtain a fully indexed scholarship for each year played in the WHL.

Over 300 WHL graduate players attend Universities and Colleges on full WHL Scholarships each year. Since 1993, the WHL has awarded over 4,900 scholarships to graduate players representing an investment in excess of \$18.9 million. Over 400 WHL graduate and current players are attending over 60 post secondary institutes in North America. The WHL is the leading provider of Hockey Scholarships in Western Canada.

The WHL boasts a bona-fide University and College hockey scholarship option. By playing in the WHL, players can take full advantage of one of the finest post-secondary scholarships available.

### WHL SCHOLASTIC PLAYER OF THE YEAR

**Nelson Nogier, Saskatoon Blades**

17-year-old defenceman Nelson Nogier of the Saskatoon Blades may have had his 2013-14 season cut short due to injury, but that didn't slow him down when it came to academic success.

The Saskatoon, SK, product completed his first semester of Grade 12 with a remarkable 96% average while taking four core courses after having finished his Grade 11 year with a 96.6% average, including a perfect 100% in Math Foundations 20.

Having graduated with Great Distinction, Nogier has enrolled in post-secondary courses at the University of Saskatchewan for the 2014-15 school year.

The Blades' fourth-round pick, 71st overall, in the 2011 WHL Bantam Draft, Nogier also performed well on the ice, netting a goal and six points in 37 games during the 2013-14 season. In June 2014, Nogier heard his name called at the NHL Draft when the the Winnipeg Jets selected him in the fourth round, 101st overall.

In order to earn WHL Scholastic Player of the Year honors, WHL Players must be enrolled in a minimum of three academic courses per semester in high school, or two courses per semester in university or college. Each WHL Club selects one player who they feel best exemplifies a combination of hockey skills and scholastic ability. A WHL Committee the reviews the qualification of each nominee.

### WESTERN CANADA'S PREMIERE HOCKEY SCHOLARSHIP

The WHL recognizes the importance that parents and players place on education. That is why the WHL and Canada West Universities have teamed up to provide Western Canada's Premiere Hockey Scholarship.

For every season a player plays in the WHL, they receive a full year guaranteed Scholarship, including tuition, textbooks and compulsory fees, to a post-secondary institution of their choice. For example, players graduating from a four-year WHL career are eligible to receive four years of scholarship funding. The WHL Scholarship, combined with additional financial assistance from Universities in Western Canada, makes the WHL - Canada West Universities joint scholarship equivalent to any other offer available in North America today.

Since 1993, Western Hockey League Clubs have provided over 4,900 Scholarships representing an investment in excess of \$18.9 million, making the WHL the leading provider of hockey scholarships in Western Canada.

The WHL Scholarship not only encourages its graduates to pursue a post-secondary education, it also affords graduates the opportunity to continue playing hockey at an elite level in the Canadian University or College systems. Each year over 300 WHL graduates receive a WHL Scholarship.

## WHL TROPHIES & AWARDS 2013-2014

PLAYER OF THE YEAR | SCHOLASTIC PLAYER OF THE YEAR

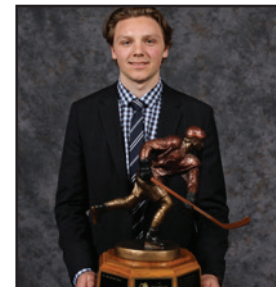

The Western Hockey League is privileged to be able to honour a number of key individuals who were instrumental in the development of the League. With this in mind each of the WHL's trophies and awards bears a tribute to the following contributors.

### PLAYER OF THE YEAR

#### Four Broncos Memorial Trophy

The most prestigious individual award of the Western Hockey League has been named the Four Broncos Memorial Trophy in memory of the four members of the Swift Current Broncos who died in a tragic accident on December 30, 1986. The four players, Trent Kresse, Scott Kruger, Chris Mantyka and Brent Ruff all died when the Swift Current bus crashed while enroute to a game in Regina.

"In order that we never forget this incident, we have named this trophy in memory of these four young men," stated the late Ed Chynoweth. "Like hundreds of other players before them, and hundreds that will follow, WHL players spend countless hours riding the bus in pursuing their hockey aspirations. By naming the Most Valuable Player Trophy in honour of these four players, hopefully we will never forget the sacrifice given by these young men."

### SCHOLASTIC PLAYER OF THE YEAR

#### Daryl K. (Doc) Seaman Trophy

Daryl K. (Doc) Seaman has been a pioneer in promoting higher education and hockey. For many years Doc Seaman has been a staunch supporter of the efforts of Hockey Canada and the Western Hockey League to ensure all players are able to combine education with hockey. As well, he has been a great promoter of the City of Calgary, as evidenced by his efforts to bring the Atlanta Flames to Calgary to become the beloved Calgary Flames of the NHL.

Due to Seaman's support for programs that promote the combining of education and hockey, and the Western Hockey League's education program in particular, the WHL has chosen to name the Scholastic Player of the Year Award in honour of Doc Seaman in 1996.

### DEFENCEMAN OF THE YEAR

#### Bill Hunter Memorial Trophy

Bill Hunter is honoured for his role as a founder and builder of the League. Hunter served as Owner, General Manager and Coach of the Edmonton Oil Kings, while also serving as the first Chairman of the Board. Without a doubt, Bill Hunter was the driving force that kept the WHL in the forefront of Major Junior Hockey in Canada during his years as the "Godfather" of the Edmonton Oil Kings.

It goes without saying that Major Junior Hockey has never seen an individual as dedicated and enthusiastic as the man known as the "Fiery Red Leader," who along with his long time friend, the late Scotty Munro, were "the WHL" in its formative years.

### MOST SPORTSMANLIKE PLAYER

#### Brad Hornung Trophy

Tragedy struck twice in the 1986-87 season in the WHL. After the Broncos bus accident, the WHL was further grieved when Brad Hornung was paralyzed after an unfortunate accident in a game in Regina on March 1, 1987. In his two years with the Regina Pats, Brad Hornung combined talent, desire and an unmistakable sportsmanlike attitude. This award will honour other players who display the same attributes.
